6. 9-man update: Fields are booked in Kamloops for the Saturday and Sunday for Provincial games November 17 and 18. Still trying to get change rooms as there is an indoor tournament that weekend.
7. 6-man football update tabled to next meeting
8. BCPFA update tabled to next meeting.
9. South Side Football. Joe had a conversation with Rob Stevenson regarding teams registering through ESportsdesk. Joe made it clear that all teams must use site to pay BCPFA, Football Canada and BCCFA fees. Positive move forward for the Island as they are on board as they are following BCCFA regulations.
10. Zone reports: Carly – Prince George going to do a tournament August 18th and 19th, fields are books. Invitation extended to BC and Alberta teams to come and play.
Kevin – nothing to report
Chel – Cue Sensors VCFL will be purchasing and putting in helmets of players. Would like to see them in all players helmets but the cost is too much. A go fund me page has been set up to help with the cost and parents have been given the option to purchase one for their child. The data collected will be recorded and shared. The information will go to the trainer (G-force rating). Contract with the VMFL is in its final term for Midget and Bantam football. May or may not be integrated again this season with VCFL and VMFL. Committee is looking at Spring tackle as well as Fall.
